## DECEMBER 2021

### COVID - 19 UPDATE & REMINDERS...

- While we are all dealing with the ongoing pandemic as best as we can, our main focus is to keep all families, children and our staff as safe as possible. If your child is sick, please keep them home. We are all aware of the symptoms and we will keep a watchful eye out for any signs of illness - Please do the same at home.
- If sent home with a fever your child can return to the center with a negative Covid test AND at least 24 hours fever free without medication. If you do not wish to get your child tested they need to be out at least 72 hours and fever free without medication. If sent home for any other symptoms besides a fever the child is welcome to return to the center after they have had a doctor clear them.
- If your child has diarrhea or any vomiting is present, they need to be 24 hours with no symptoms.
- If your child is sent home, we are now requiring the sibling to be out also, this will cut down on any chance of more than one classroom being put at risk if there were to be a positive case.
- Since numbers are consistently high in our area at the present time we have decided to go back to mask wearing for children 3 and older and adults regardless of vaccination status.
- Lastly, we are sorry to say that we will be cancelling the Christmas concerts again this year. Numbers are too high and large gatherings could be a bad choice.

**Santa-Claus is coming to town... He is scheduled to arrive on Wed. Dec. 22 at 9:30 for his annual visit! Please be sure to send in a wrapped and labelled small gift for Santa to give to your child! Gifts should be received by Monday Dec. 20th**

**RECENT NEW STAFF...** We are happy to inform you that we are now completely staffed. This is so exciting for us...we should be able to have a regular, consistent schedule going forward! Miss Brooke is most excited about that...she has done an outstanding job juggling the schedule over the past few months! Miss Rileigh has just started with us. She is a full time Education major at SNHU and will be graduating in June. She will be floating from room to room for the time being and we are excited to have her join our staff!
